# Nobody Tells You This

Curiosity hook (library #9) + a number. Three honest reasons GPs stop referring, each answered on the dashboard.

| LENGTH | MADE IN | GOAL |
| --- | --- | --- |
| 8 clips × 8 s = 64 s | Google Flow, one 8 s clip per segment | Value first, one soft call to action at the end (check out ToothReferral). No prices. |

## Why this version

'Nobody tells you this' opens a gap the viewer wants closed, and '3 reasons' tells them the video has an end. Each reason is a pain they recognise, fixed on screen right after.

## The whole script at a glance

| | |
| --- | --- |
| 00-08 s | **Hook** · “Nobody tells you this: there are three reasons GPs quietly stop sending you referrals.” |
| 08-16 s | **Reason 1: silence** · “Reason one: they send a patient and never hear back. Silence feels like their patient got lost.” |
| 16-24 s | **The fix: status** · “Here's the fix. In Tooth Referral, every incoming referral shows its status, and the GP sees each update.” |
| 24-32 s | **Reason 2: X-rays** · “Reason two: you keep asking for X-rays. Now they're attached to the referral, shared with both offices.” |
| 32-40 s | **Reason 3: phone tag** · “Reason three: phone tag. Message the GP right inside the case, and the answer stays with the patient.” |
| 40-48 s | **One update** · “And when you book the consult, update the status once. The referring office knows instantly. No callbacks.” |
| 48-56 s | **Why they keep sending** · “That's what keeps GPs sending: they always know where their patient is, and you never chase paperwork.” |
| 56-64 s | **Call to action** · “If you want referrals that keep coming back, check out Tooth Referral and see your incoming list.” |

## Before you generate

- **One clip = one segment = 8 seconds.** Keep every line to the words written (14 to 20 words fits 8 s at a natural pace). Longer lines get rushed or cut.
- **Start and end every clip in the rest pose.** Hands relaxed at chest height, looking at camera, mouth closed for about half a second at the very start and end. This is what lets me join the clips so they feel like one take.
- **Gestures happen inside the frame, at chest-to-shoulder height.** A hand that leaves the frame cannot be tracked, and the animation that rides on it has nowhere to land.
- **Point at the same places every time.** Upper-left = where the dashboard panel will appear. Right side = where chat / notifications appear. Keep these consistent so the animations always land where he points.
- **Paste the dark 'Google Flow prompt' box as is, one box per clip.** Each box is complete on its own: camera, a second-by-second beat sheet of hand gestures with the words they land on, facial expression, head movement and the spoken line. The same prompts are in the matching -Flow-prompts.txt file, which copies cleaner than a PDF. If Flow blocks a swear word, use the clean line given at the end of that prompt.

## Gesture key (what each gesture turns into in the edit)

| | |
|---|---|
| **POINT** | index finger to a spot: a panel, callout or highlight appears there |
| **SWIPE** | flat hand across the body: the screen changes in that direction |
| **COUNT** | fingers 1-2-3: items pop in one per finger |
| **TAP** | a small forward finger tap in the air: a click / button press |
| **PINCH-OUT** | fingers spread apart: zoom into the dashboard |
| **JOIN** | hands come together / fingers interlock: offices connect into one network |
| **TOSS** | flick over the shoulder: the old way gets thrown out of frame |

## 01 Hook 00-08 s

> **“Nobody tells you this: there are three reasons GPs quietly stop sending you referrals.”**

**FACIAL EXPRESSION**

Knowing, half-smile; eyebrows lift on 'three reasons'; a serious look on 'stop sending'.

**HEAD MOVEMENT**

Small forward lean on 'Nobody', a slow nod on 'three'.

**HAND GESTURES (TIMED)**

0.5-2.5 s Lean in, palm down: a secret
2.5-4.5 s Three fingers up
4.5-7.5 s Open hands, small shrug

**ON SCREEN (YOUR DASHBOARD RECORDING)**

Presenter only: no dashboard yet

No screen yet.

**Edit / animation riding the gesture:** Hook edit (hook-reference): red full-frame flash on the first trigger word, heavy uppercase lower-third text stacking word by word (trigger words red with glow, the rest white), punch-in zooms on the 2 strongest words, a hit or whoosh on every change. Text: NOBODY TELLS YOU THIS (red on NOBODY) / 3 REASONS; three icon slots under it (question mark, X-ray, phone) that stay greyed until each reason.

**Google Flow prompt (copy all of this box):**

Vertical 9:16 video, 8 seconds, one continuous shot of the same presenter, speaking directly to camera.
Camera: locked off, eye level, medium close-up from mid-chest up, the same framing for the whole clip: no zoom, no cuts, no camera movement. Both hands always stay inside the frame, between chest and shoulder height.
Eyes: steady eye contact with the camera lens for the whole clip.
0.0-0.5 s: Rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
0.5-2.5 s: The presenter leans slightly toward the lens and lowers one hand, palm down, as if sharing a secret, on the words "Nobody tells you this:"
2.5-4.5 s: The presenter raises three fingers, on the words "there are three reasons"
4.5-7.5 s: The presenter opens both hands with a small, knowing shrug, on the words "GPs quietly stop sending you referrals."
7.5-8.0 s: Returns to the same rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
Facial expression: Knowing, half-smile; eyebrows lift on 'three reasons'; a serious look on 'stop sending'.
Head movement: Small forward lean on 'Nobody', a slow nod on 'three'.
Gestures are natural, relaxed and conversational, not rushed; each gesture lands on the words next to it.
Dialogue, spoken to camera in a natural, confident tone and perfectly lip-synced: "Nobody tells you this: there are three reasons GPs quietly stop sending you referrals."
Audio: only the presenter's voice, quiet room tone. No music, no subtitles, no captions, no on-screen text, no logos.

## 02 Reason 1: silence 08-16 s

> **“Reason one: they send a patient and never hear back. Silence feels like their patient got lost.”**

**FACIAL EXPRESSION**

Sympathetic; a little frown on 'never hear back'.

**HEAD MOVEMENT**

Slight head tilt on 'silence'.

**HAND GESTURES (TIMED)**

0.5-1.5 s One finger up
1.5-4.5 s Palm sends forward, nothing returns
4.5-7.5 s Empty open hands

**ON SCREEN (YOUR DASHBOARD RECORDING)**

Presenter only: no dashboard yet

No screen yet.

**Edit / animation riding the gesture:** A '1' badge pops; a referral card flies out of frame and a greyed 'no reply...' bubble blinks back; the first icon slot fills.

**Google Flow prompt (copy all of this box):**

Vertical 9:16 video, 8 seconds, one continuous shot of the same presenter, speaking directly to camera.
Camera: locked off, eye level, medium close-up from mid-chest up, the same framing for the whole clip: no zoom, no cuts, no camera movement. Both hands always stay inside the frame, between chest and shoulder height.
Eyes: steady eye contact with the camera lens for the whole clip.
0.0-0.5 s: Rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
0.5-1.5 s: The presenter raises one finger, on the words "Reason one:"
1.5-4.5 s: The presenter pushes an open palm forward as if sending something, then pauses, waiting, on the words "they send a patient and never hear back."
4.5-7.5 s: The presenter turns both hands palm up, empty, on the words "Silence feels like their patient got lost."
7.5-8.0 s: Returns to the same rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
Facial expression: Sympathetic; a little frown on 'never hear back'.
Head movement: Slight head tilt on 'silence'.
Gestures are natural, relaxed and conversational, not rushed; each gesture lands on the words next to it.
Dialogue, spoken to camera in a natural, confident tone and perfectly lip-synced: "Reason one: they send a patient and never hear back. Silence feels like their patient got lost."
Audio: only the presenter's voice, quiet room tone. No music, no subtitles, no captions, no on-screen text, no logos.

## 03 The fix: status 16-24 s

> **“Here's the fix. In Tooth Referral, every incoming referral shows its status, and the GP sees each update.”**

**FACIAL EXPRESSION**

Bright and relieved.

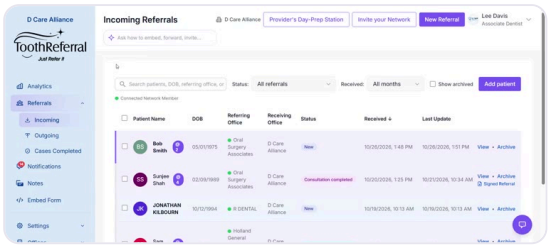

**HEAD MOVEMENT**

Turns toward the upper-left panel on 'In Tooth Referral', back to camera on 'update'.

**HAND GESTURES (TIMED)**

0.5-1.5 s Soft clap
1.5-5 s Points up-left
5-7.5 s Palm sweeps right

**ON SCREEN (YOUR DASHBOARD RECORDING)**

rec 0:00-0:06 Incoming Referrals list.

**Edit / animation riding the gesture:** Split: dashboard on top. The Status column lights up row by row; a notification dot flies right to 'Oral Surgery Associates' with a ✓.

**Google Flow prompt (copy all of this box):**

Vertical 9:16 video, 8 seconds, one continuous shot of the same presenter, speaking directly to camera.
Camera: locked off, eye level, medium close-up from mid-chest up, the same framing for the whole clip: no zoom, no cuts, no camera movement. Both hands always stay inside the frame, between chest and shoulder height.
Eyes: steady eye contact with the camera lens for the whole clip.
0.0-0.5 s: Rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
0.5-1.5 s: The presenter brings both hands together in one soft clap, on the words "Here's the fix."
1.5-5 s: The presenter points to the upper left of the frame, on the words "In Tooth Referral, every incoming referral shows its status,"
5-7.5 s: The presenter sweeps an open palm out to the right, on the words "and the GP sees each update."
7.5-8.0 s: Returns to the same rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
Facial expression: Bright and relieved.
Head movement: Turns toward the upper-left panel on 'In Tooth Referral', back to camera on 'update'.
Gestures are natural, relaxed and conversational, not rushed; each gesture lands on the words next to it.
Dialogue, spoken to camera in a natural, confident tone and perfectly lip-synced: "Here's the fix. In Tooth Referral, every incoming referral shows its status, and the GP sees each update."
Audio: only the presenter's voice, quiet room tone. No music, no subtitles, no captions, no on-screen text, no logos.

## 04 Reason 2: X-rays 24-32 s

> **“Reason two: you keep asking for X-rays. Now they're attached to the referral, shared with both offices.”**

**FACIAL EXPRESSION**

Mild frustration, then satisfied.

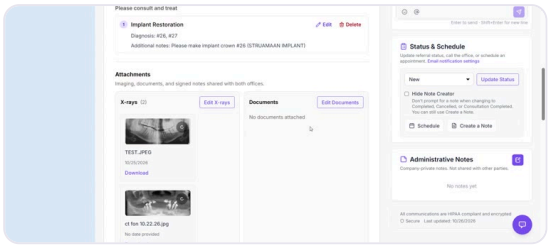

**HEAD MOVEMENT**

Small head shake on 'keep asking'.

**HAND GESTURES (TIMED)**

0.5-1.5 s Two fingers up
1.5-3.5 s Two impatient air taps
3.5-7.5 s Presents up-left, hands part

**ON SCREEN (YOUR DASHBOARD RECORDING)**

rec 0:24-0:30 Attachments: X-rays (2).

**Edit / animation riding the gesture:** '2' badge; the cursor opens a referral and the camera zooms into the X-ray thumbnails; a 'shared with both offices' chip links D Care Alliance ⇄ Oral Surgery.

**Google Flow prompt (copy all of this box):**

Vertical 9:16 video, 8 seconds, one continuous shot of the same presenter, speaking directly to camera.
Camera: locked off, eye level, medium close-up from mid-chest up, the same framing for the whole clip: no zoom, no cuts, no camera movement. Both hands always stay inside the frame, between chest and shoulder height.
Eyes: steady eye contact with the camera lens for the whole clip.
0.0-0.5 s: Rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
0.5-1.5 s: The presenter raises two fingers, on the words "Reason two:"
1.5-3.5 s: The presenter taps the air twice with an index finger, a little impatient, on the words "you keep asking for X-rays."
3.5-7.5 s: The presenter presents an open palm toward the upper left, then moves both hands apart as if sharing, on the words "Now they're attached to the referral, shared with both offices."
7.5-8.0 s: Returns to the same rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
Facial expression: Mild frustration, then satisfied.
Head movement: Small head shake on 'keep asking'.
Gestures are natural, relaxed and conversational, not rushed; each gesture lands on the words next to it.
Dialogue, spoken to camera in a natural, confident tone and perfectly lip-synced: "Reason two: you keep asking for X-rays. Now they're attached to the referral, shared with both offices."
Audio: only the presenter's voice, quiet room tone. No music, no subtitles, no captions, no on-screen text, no logos.

## 05 Reason 3: phone tag 32-40 s

> **“Reason three: phone tag. Message the GP right inside the case, and the answer stays with the patient.”**

**FACIAL EXPRESSION**

Wry on 'phone tag', then pleased.

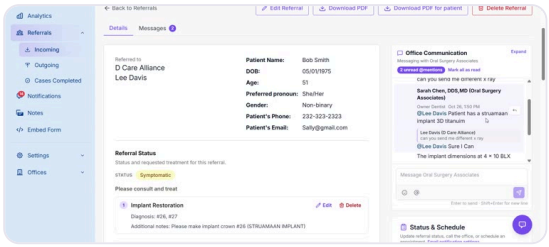

**HEAD MOVEMENT**

Small nod on 'stays'.

**HAND GESTURES (TIMED)**

| | |
|---|---|
| 0.5-2 s | Three fingers, head shake |
| 2-5 s | Types in the air |
| 5-7.5 s | Pats open palm |

**ON SCREEN (YOUR DASHBOARD RECORDING)**

rec 0:10-0:22 Office Communication chat.

**Edit / animation riding the gesture:** '3' badge; the chat card: message typed and sent, the GP's reply pops in, a green 'saved to case' tick.

**Google Flow prompt (copy all of this box):**

Vertical 9:16 video, 8 seconds, one continuous shot of the same presenter, speaking directly to camera.
Camera: locked off, eye level, medium close-up from mid-chest up, the same framing for the whole clip: no zoom, no cuts, no camera movement. Both hands always stay inside the frame, between chest and shoulder height.
Eyes: steady eye contact with the camera lens for the whole clip.
0.0-0.5 s: Rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
0.5-2 s: The presenter raises three fingers and gives a small head shake, on the words "Reason three: phone tag."
2-5 s: The presenter mimes typing in the air, on the words "Message the GP right inside the case,"
5-7.5 s: The presenter pats one open palm with the other hand, on the words "and the answer stays with the patient."
7.5-8.0 s: Returns to the same rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
Facial expression: Wry on 'phone tag', then pleased.
Head movement: Small nod on 'stays'.
Gestures are natural, relaxed and conversational, not rushed; each gesture lands on the words next to it.
Dialogue, spoken to camera in a natural, confident tone and perfectly lip-synced: "Reason three: phone tag. Message the GP right inside the case, and the answer stays with the patient."
Audio: only the presenter's voice, quiet room tone. No music, no subtitles, no captions, no on-screen text, no logos.

## 06 One update 40-48 s

> **“And when you book the consult, update the status once. The referring office knows instantly. No callbacks.”**

**FACIAL EXPRESSION**

Confident and calm.

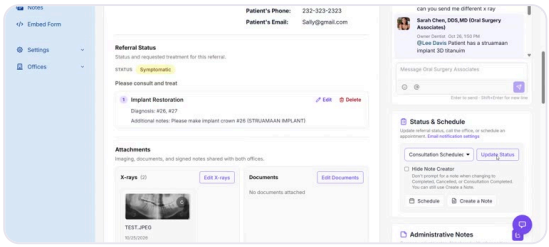

**HEAD MOVEMENT**

Firm nod on 'once'.

**HAND GESTURES (TIMED)**

| | |
|---|---|
| 0.5-3 s | Small tap forward |
| 3-4.5 s | One finger up |
| 4.5-7.5 s | Palm passes right |

**ON SCREEN (YOUR DASHBOARD RECORDING)**

rec 0:57-1:05 Status & Schedule, then the Success toast.

**Edit / animation riding the gesture:** Status menu opens, Consultation Scheduled is picked, Update Status presses; the green Success toast drops in; a 'callback' chip is struck out.

**Google Flow prompt (copy all of this box):**

Vertical 9:16 video, 8 seconds, one continuous shot of the same presenter, speaking directly to camera.
Camera: locked off, eye level, medium close-up from mid-chest up, the same framing for the whole clip: no zoom, no cuts, no camera movement. Both hands always stay inside the frame, between chest and shoulder height.
Eyes: steady eye contact with the camera lens for the whole clip.
0.0-0.5 s: Rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
0.5-3 s: The presenter makes one small forward press with the fingertips, on the words "And when you book the consult,"
3-4.5 s: The presenter raises one finger, on the words "update the status once."
4.5-7.5 s: The presenter moves an open hand smoothly out to the right, on the words "The referring office knows instantly. No callbacks."
7.5-8.0 s: Returns to the same rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
Facial expression: Confident and calm.
Head movement: Firm nod on 'once'.
Gestures are natural, relaxed and conversational, not rushed; each gesture lands on the words next to it.
Dialogue, spoken to camera in a natural, confident tone and perfectly lip-synced: "And when you book the consult, update the status once. The referring office knows instantly. No callbacks."
Audio: only the presenter's voice, quiet room tone. No music, no subtitles, no captions, no on-screen text, no logos.

## 07 Why they keep sending 48-56 s

> **“That's what keeps GPs sending: they always know where their patient is, and you never chase paperwork.”**

**FACIAL EXPRESSION**

Warm and sincere.

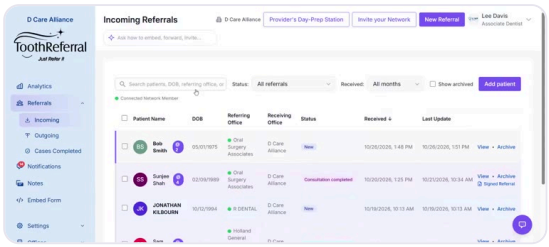

**HEAD MOVEMENT**

Slow nod.

**HAND GESTURES (TIMED)**

0.5-2.5 s Interlocks fingers
2.5-5.5 s Opens one hand to camera
5.5-7.5 s Brushes air sideways

**ON SCREEN (YOUR DASHBOARD RECORDING)**

rec 0:00-0:06 referring offices with green connected dots.

**Edit / animation riding the gesture:** Office badges with green dots wire into one network; a small paper stack is brushed off frame.

**Google Flow prompt (copy all of this box):**

Vertical 9:16 video, 8 seconds, one continuous shot of the same presenter, speaking directly to camera.
Camera: locked off, eye level, medium close-up from mid-chest up, the same framing for the whole clip: no zoom, no cuts, no camera movement. Both hands always stay inside the frame, between chest and shoulder height.
Eyes: steady eye contact with the camera lens for the whole clip.
0.0-0.5 s: Rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
0.5-2.5 s: The presenter interlocks the fingers of both hands at chest height, on the words "That's what keeps GPs sending:"
2.5-5.5 s: The presenter opens one hand toward the camera, on the words "they always know where their patient is,"
5.5-7.5 s: The presenter gently brushes a flat palm sideways, clearing something away, on the words "and you never chase paperwork."
7.5-8.0 s: Returns to the same rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
Facial expression: Warm and sincere.
Head movement: Slow nod.
Gestures are natural, relaxed and conversational, not rushed; each gesture lands on the words next to it.
Dialogue, spoken to camera in a natural, confident tone and perfectly lip-synced: "That's what keeps GPs sending: they always know where their patient is, and you never chase paperwork."
Audio: only the presenter's voice, quiet room tone. No music, no subtitles, no captions, no on-screen text, no logos.

## 08 Call to action 56-64 s

> **“If you want referrals that keep coming back, check out Tooth Referral and see your incoming list.”**

**FACIAL EXPRESSION**
Inviting, relaxed smile.

**HEAD MOVEMENT**
Small nod on 'Tooth Referral'.

**HAND GESTURES (TIMED)**

| | |
|---|---|
| 0.5-4 s | Points at camera |
| 4-5.5 s | Points down |
| 5.5-7.5 s | Presents open palm |

**ON SCREEN (YOUR DASHBOARD RECORDING)**

End card: logo and link

End card: ToothReferral logo and link.

**Edit / animation riding the gesture:** Ripple off the fingertip; the ToothReferral logo and toothreferral.com rise where the hand points; end card.

**Google Flow prompt (copy all of this box):**
Vertical 9:16 video, 8 seconds, one continuous shot of the same presenter, speaking directly to camera.
Camera: locked off, eye level, medium close-up from mid-chest up, the same framing for the whole clip: no zoom, no cuts, no camera movement. Both hands always stay inside the frame, between chest and shoulder height.
Eyes: steady eye contact with the camera lens for the whole clip.
0.0-0.5 s: Rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
0.5-4 s: The presenter points at the camera with a friendly smile, on the words "If you want referrals that keep coming back,"
4-5.5 s: The presenter points down toward the bottom of the frame, on the words "check out Tooth Referral"
5.5-7.5 s: The presenter presents an open palm, relaxed, on the words "and see your incoming list."
7.5-8.0 s: Returns to the same rest pose, hands relaxed together at chest height, shoulders loose, looking straight into the lens, mouth closed.
Facial expression: Inviting, relaxed smile.
Head movement: Small nod on 'Tooth Referral'.
Gestures are natural, relaxed and conversational, not rushed; each gesture lands on the words next to it.
Dialogue, spoken to camera in a natural, confident tone and perfectly lip-synced: "If you want referrals that keep coming back, check out Tooth Referral and see your incoming list."
Audio: only the presenter's voice, quiet room tone. No music, no subtitles, no captions, no on-screen text, no logos.

Demo data on screen (patients, offices, phone numbers) comes from the dashboard recording and is fictional. Hooks follow .claude/skills/hook-reference (the user's chosen references).
